We're testing a new soundwalk and we'd like your help – access the audio and map via your browser and walk with us... As you walk, listen in to the sounds of the past, present and future that inhabit the route along the Coventry canal towpath, starting at Naul's Mill Park and ending at Talking Birds new home, The Nest.

The Nest will be open for visitors on the August Bank Holiday weekend 12pm to 4pm and 18 & 19 September from 11am to 4pm. You'll be able to grab a free cuppa while you let us know how the walk worked for you and what you liked (or didn't like) about it.

Talking Birds is a nationally renowned Coventry based company of artists specialising in Theatre of Place. You might have joined us on our tour **Backstage at the Albany Theatre**; watching **The Female Warrior** in the garden at Langar Aid; demonstrating exemplary queuing in the city centre with **The Q** at the Shopfront Festival; stepping inside our aluminium **Whale** next to Coventry Cathedral; or celebrating Coventry City's FA Cup win in **We Love You City** at the Belgrade Theatre.
