

Talking Birds Board call-out >>>>>>>>>>

We are a company specialising in place-based theatre, outdoor arts and community development, looking for a few interesting and lovely people to join our current board of seven.

A handful of reasons to love Talking Birds:

- Our warm take on adding joy through theatre in unexpected places;
- Our mission to support local creative people at our Nest HQ in Coventry;
- Our commitment to equalities through our Difference Engine captioning tech;
- Our work to genuinely give local people a voice in shaping Coventry's creative future;
- Our belief in green progress, radical kindness and regenerative working.

About our board

Our board mixes legal responsibilities with lively thinking and helping our small staff team do brilliant things. The board meets around 6 times per year and we make the most of the best perk – chances to see Talking Birds’ work up close. The current board has a range of life experiences and perspectives and we’d love a few more to enrich the mix.

We are an Arts Council “National Portfolio Organisation” and a member of the Independent Theatre Council, which means we take the professional stuff (accounts, employment etc) very seriously.

Have a think – maybe you’d like to learn more about how arts organisations operate, meet interesting people and use your skills, or just support TB’s amazing work - would joining our board make you happier? You would have to be over 18 years old and occasionally get to meetings in Coventry (expenses covered) – beyond that we hope we can meet access needs and make you welcome.

Meet the company

We are holding two Meet the Company events where we can introduce ourselves and let you know more about what being on the TB Board involves.

Wed June 3rd at 5-6pm &
Thurs June 11th at 12.30-1.30pm

Do let us know if you are interested.
Do let friends know if you think they might be interested.
